

REGULATIONS:

DONNA BUANG BUSHLAND ASHES AREA

The Upper Yarra Public Cemetery Trust hereby directs that the following rules shall apply to the designated Bushland Ashes Area of the Upper Yarra Public Cemetery.

Bushland Ashes Area

1. Only one interment shall be permitted in each site.
2. The Trust will enhance the existing bushland setting by planting Indigenous vegetation near or on used sites from time to time, in accordance with the Trust's Vegetation Management Plan. No other planting will be permitted.
3. The Trust shall keep a survey plan showing the exact location of each site.
4. Application for an interment shall be on the form supplied by the Trust.
5. Memorials
 - a. The installation of a memorial in the Bushland Ashes area is optional.
 - b. The only memorial permitted if required in the Bushland Ashes Area is one of the following:
 - i. a single timber post 100mm by 100mm and 600mm in height on the site, inscribed with the name, age and date of death of the deceased. The timber post is supplied and installed by the Trust

OR
 - ii. a bronze plaque 229mm in width and 280mm in height fixed to a raised concrete block. The concrete block is supplied and installed by the Trust
OR
 - iii. a bronze plaque measuring 153mm in width by 128mm in height, showing the personal details of the deceased, fixed to a common timber structure located at the entrance of the Bushland Ashes Area.
 - c. The installation of any other memorial or item to identify the site is not permitted.

All unauthorised memorials shall be removed by the Trust.
6. Floral Tributes
 - a. Only natural flowers are permitted to be placed on sites. Flowers containing support wires, cables or supports or hydration bases or vases are not permitted and may be removed by the Trust.
 - b. Artificial flowers are not permitted.
